PURCHAS

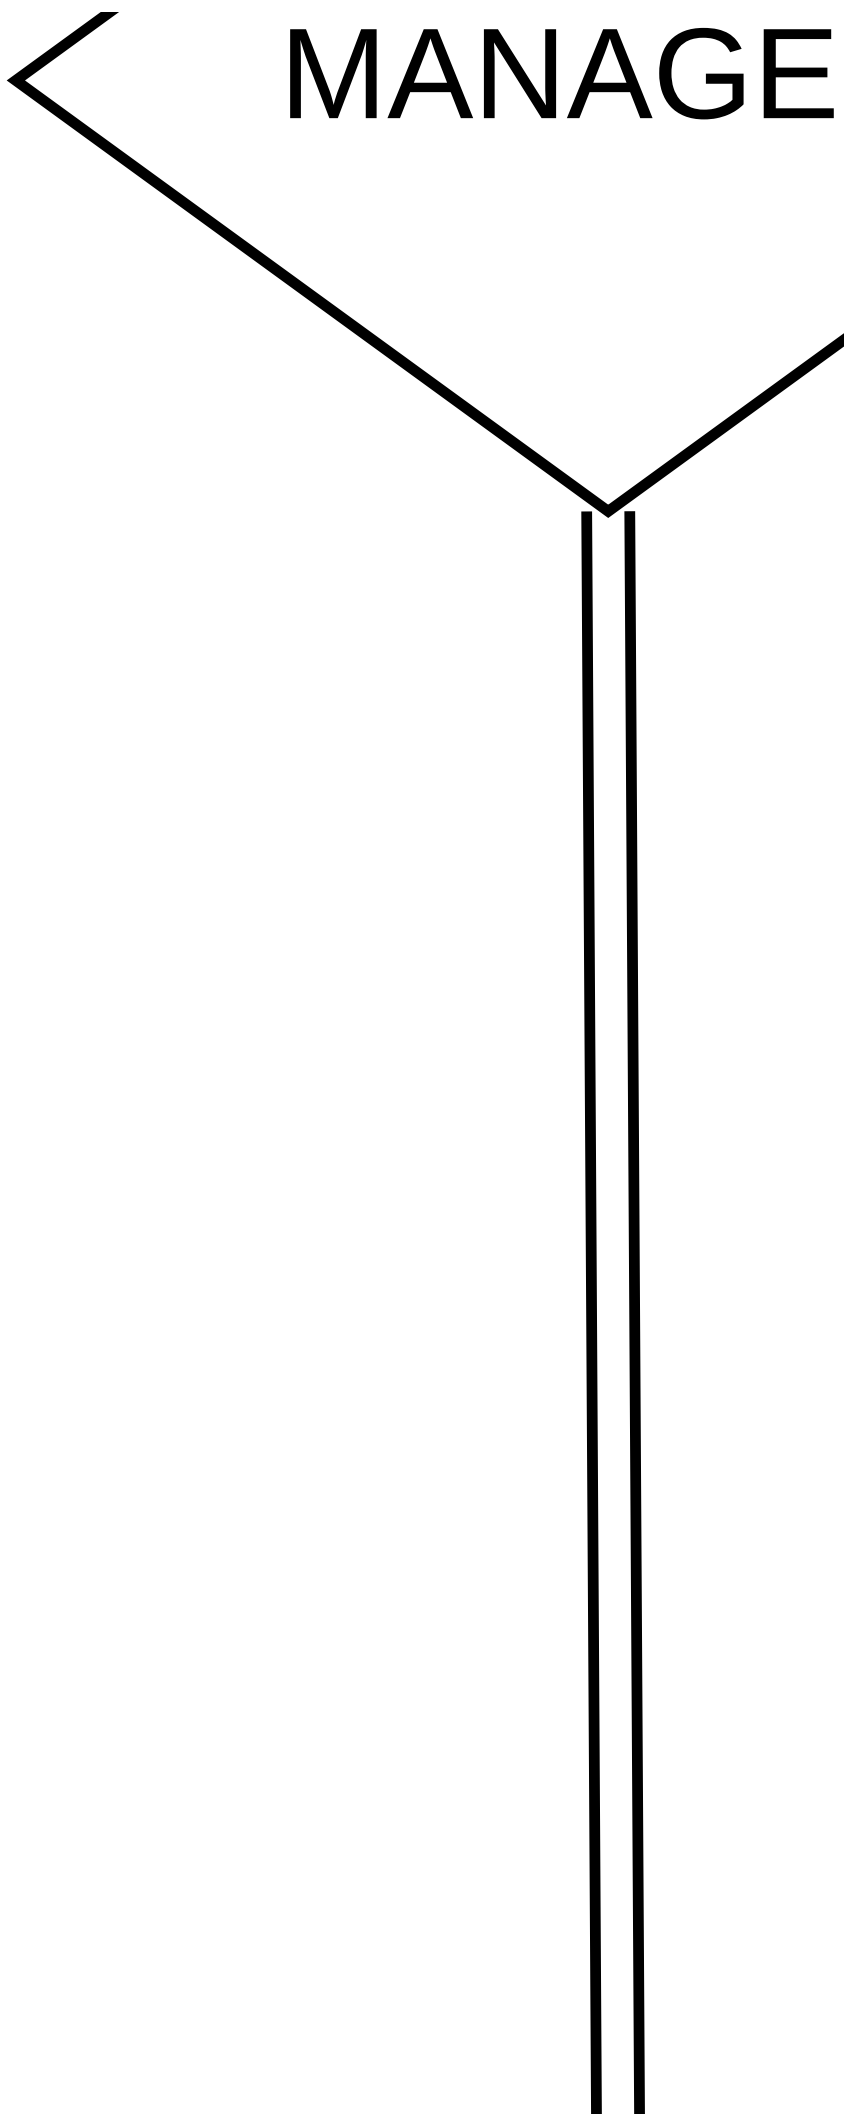

The diagram consists of two main curved shapes. The top shape is a semi-circle opening to the left, with the word 'PURCHAS' inside it. The bottom shape is a semi-circle opening to the right, with the word 'STATUS' inside it. A line connects the left side of the top shape to the left side of the bottom shape. This line starts as a vertical segment on the left, then curves to the right to meet the top shape, and then continues as a diagonal segment down to the bottom shape.

JUDGE_

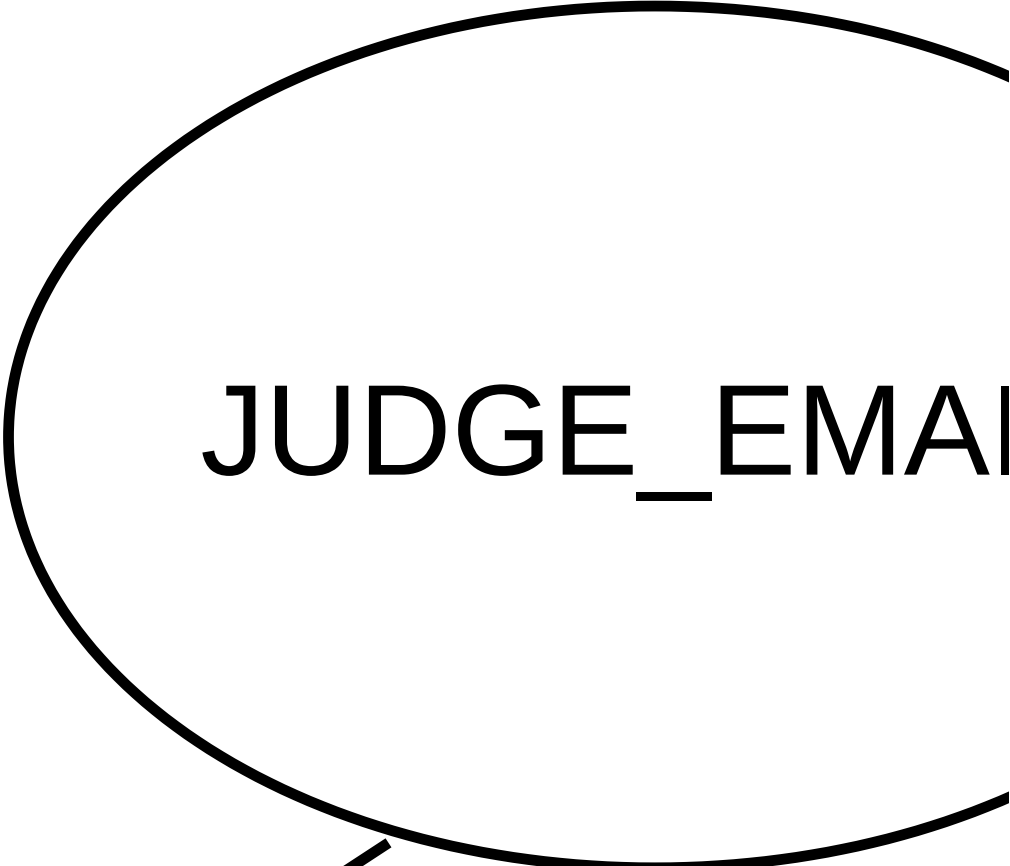

A diagram illustrating a hierarchical relationship. At the top is a large oval containing the text "FIRST_NAME". A straight line connects the bottom of this oval to a smaller, partially visible oval below it. This lower oval contains the text "_NAME". A line extends from the right side of the lower oval, pointing towards the bottom right corner of the image.

FOUND

The diagram consists of a rectangular box on the left containing the word 'FOUND'. From the top-right corner of this box, a line extends upwards and to the right. From the bottom-right corner, a line extends downwards and to the right. These two lines converge towards a large, curved, semi-circular shape on the right side of the image. The word 'DESCRIPTIC' is written inside this curved shape.
